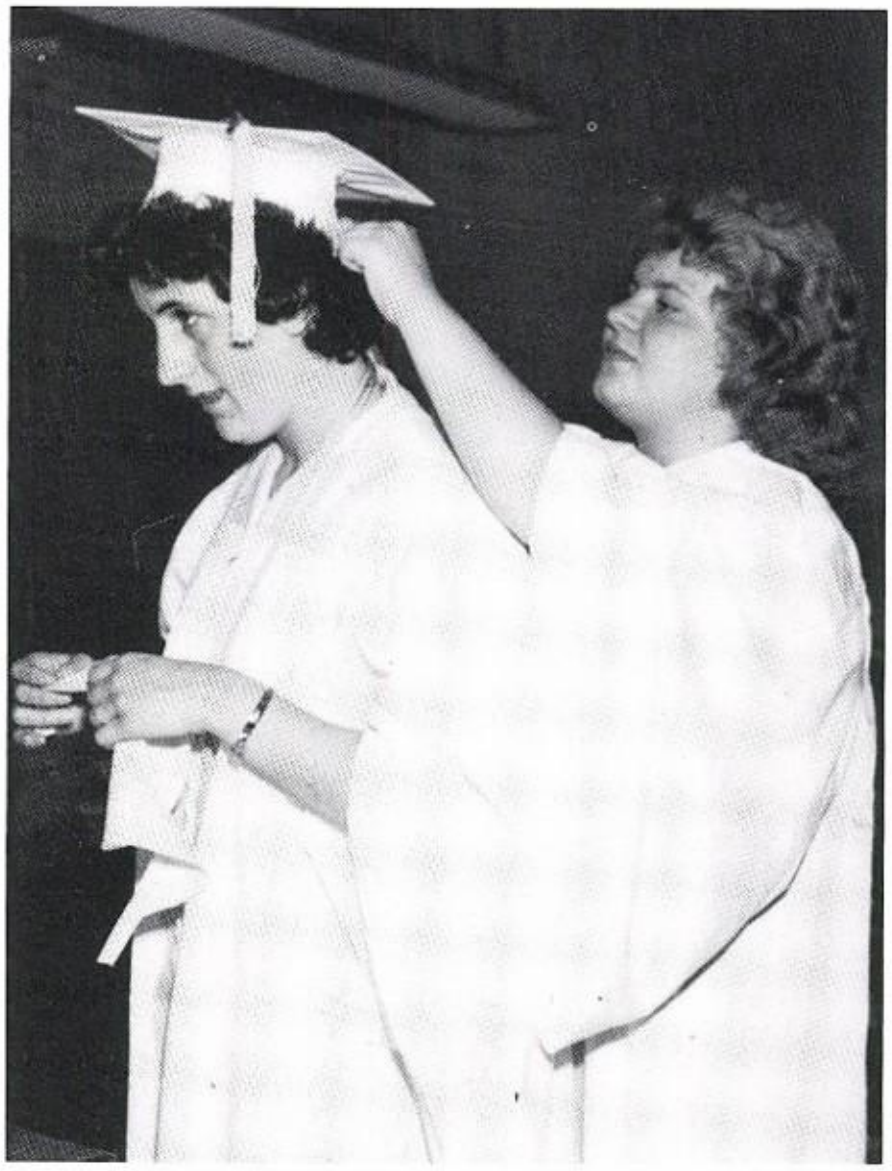
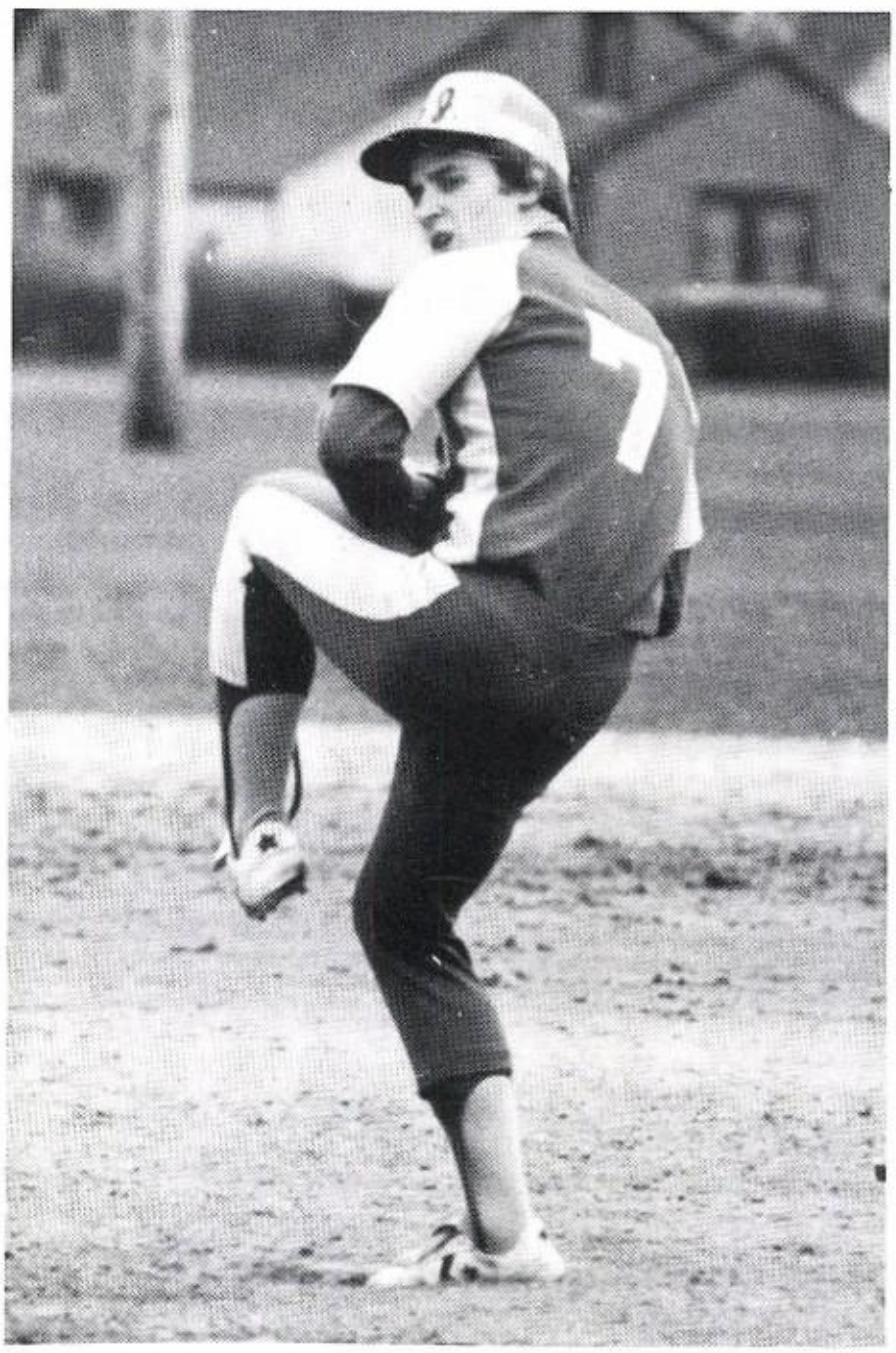
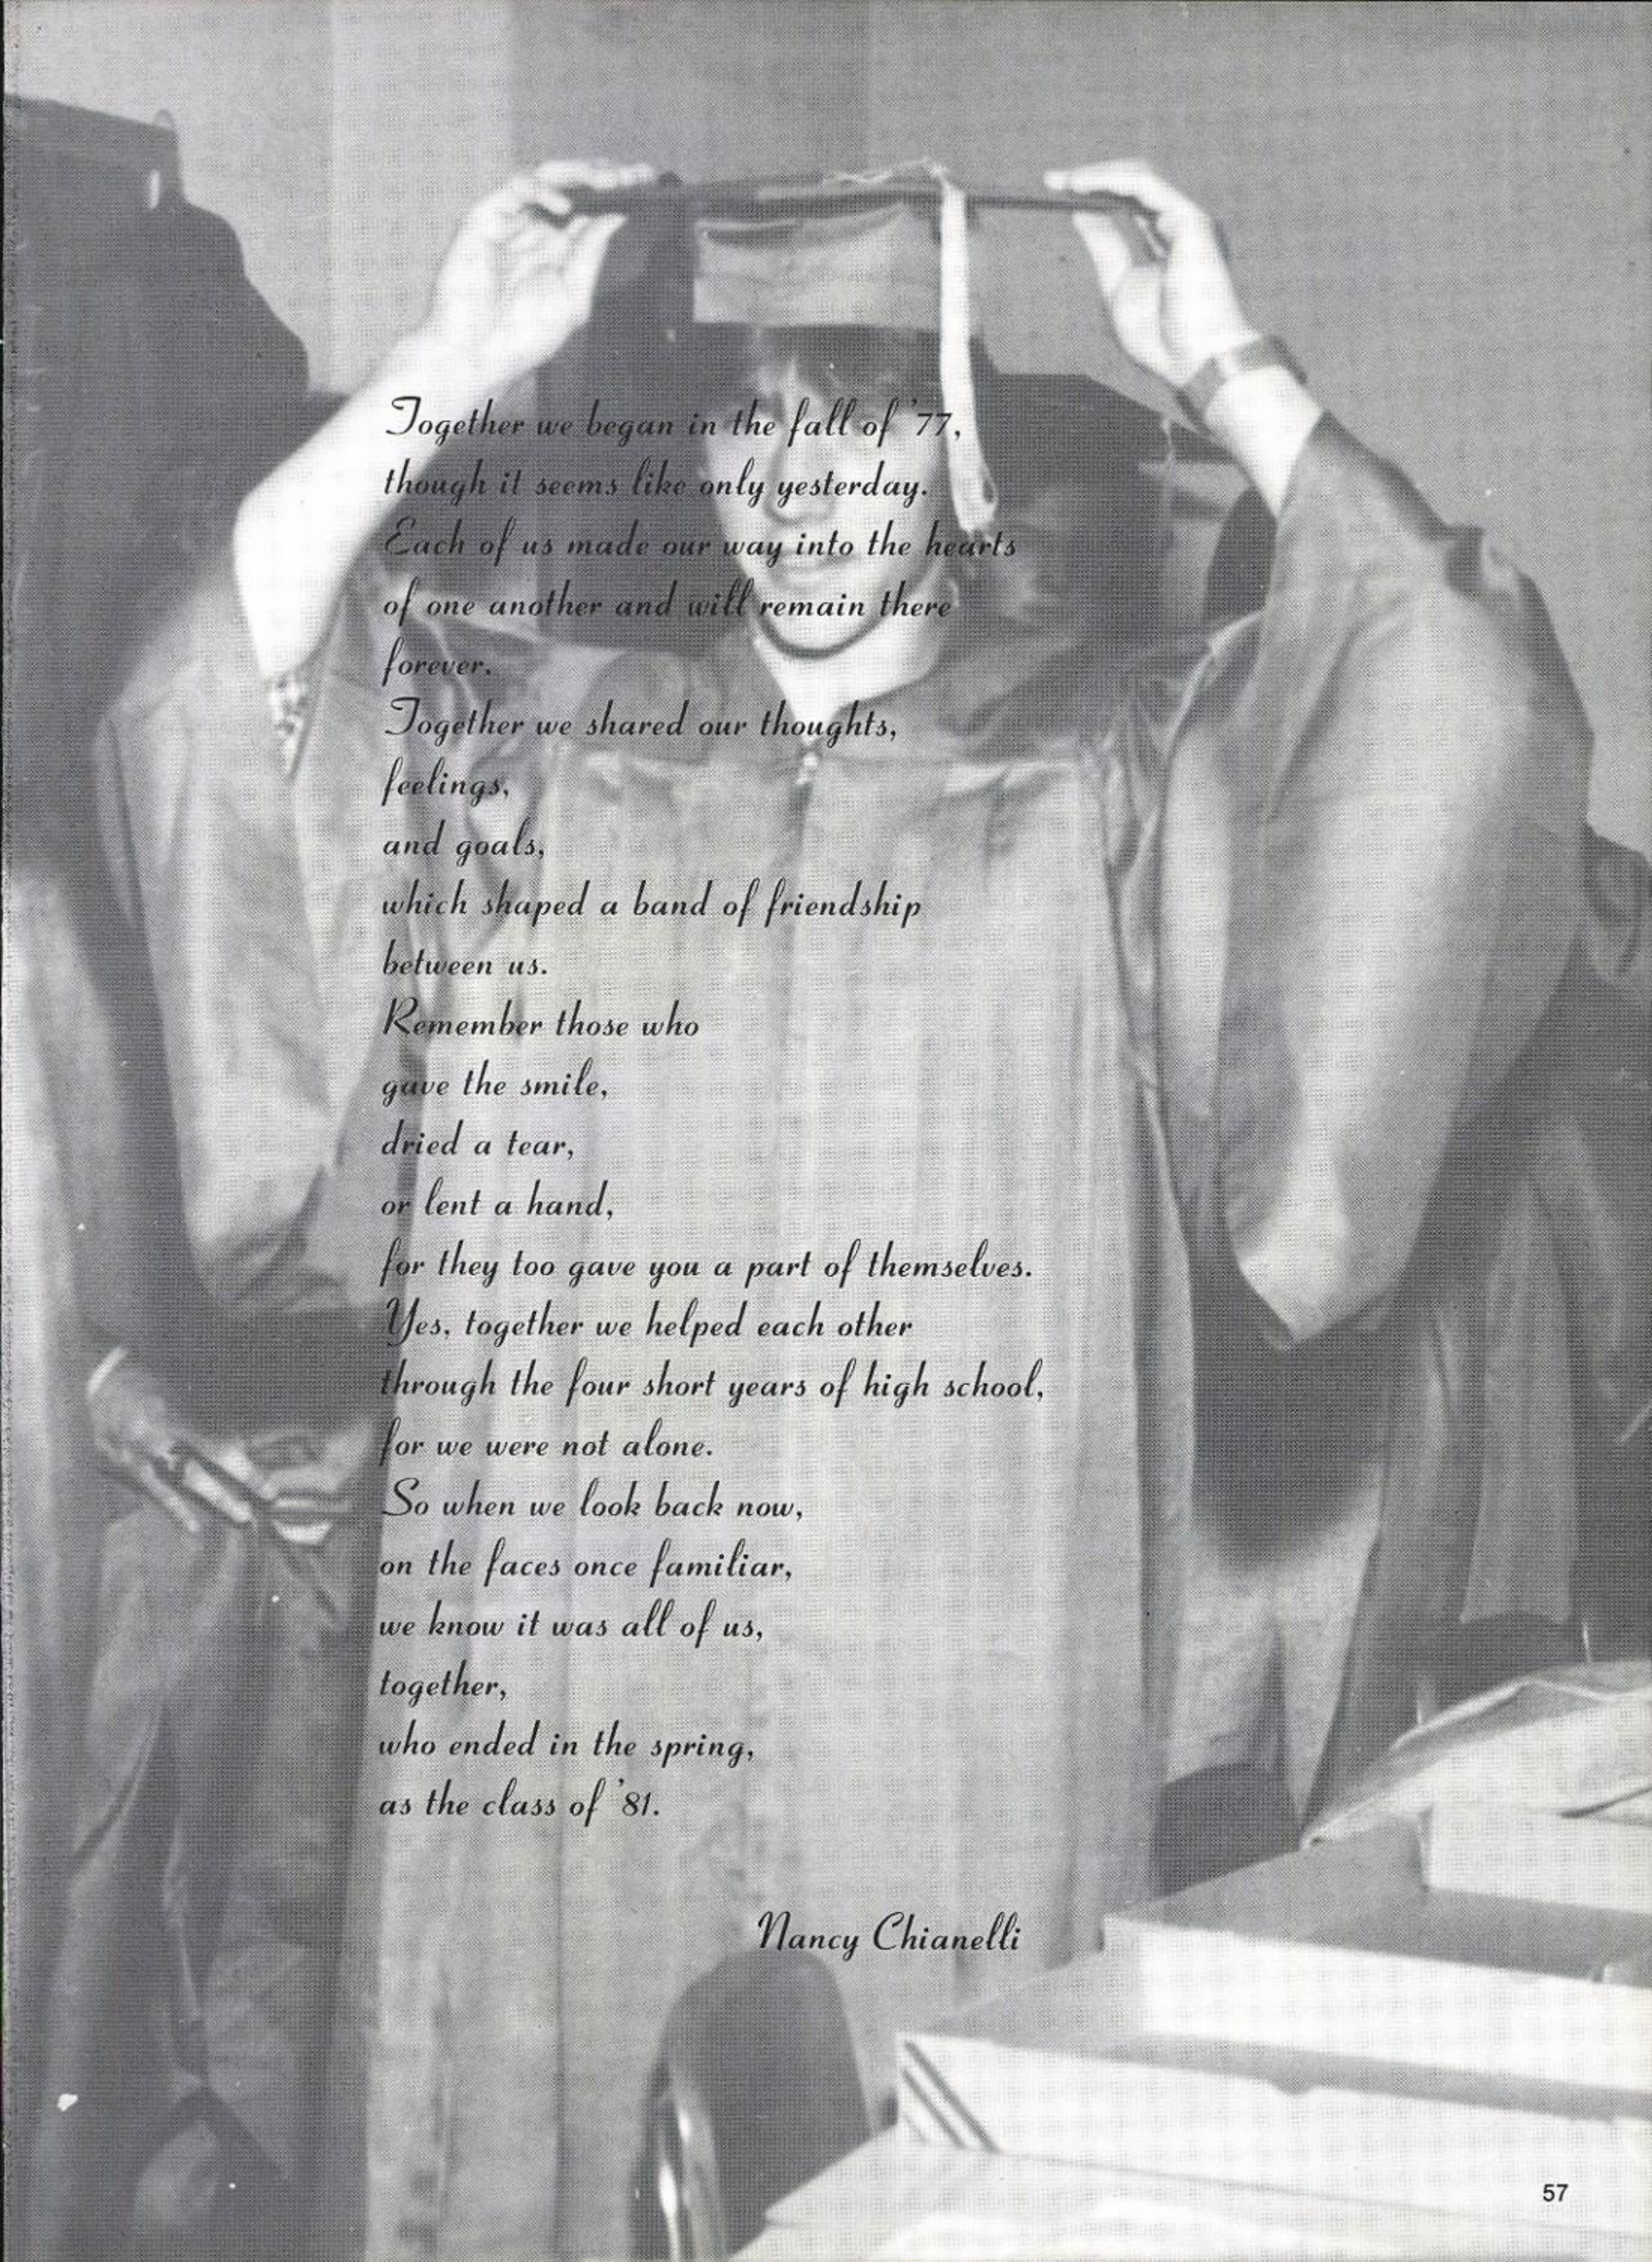
Seniors







Together we began in the fall of '77,
though it seems like only yesterday.
Each of us made our way into the hearts
of one another and will remain there
forever.
Together we shared our thoughts,
feelings,
and goals,
which shaped a band of friendship
between us.
Remember those who
gave the smile,
dried a tear,
or lent a hand,
for they too gave you a part of themselves.
Yes, together we helped each other
through the four short years of high school,
for we were not alone.
So when we look back now,
on the faces once familiar,
we know it was all of us,
together,
who ended in the spring,
as the class of '81.

CHEERLEADERS CREATE SPIRIT

Having a good team is the first step toward a victory, but the fans backing the team give the players the will to win. Without the cheerleaders uniting the fans, spreading their spirit and pushing the players to score the game-winning points, the team would lose its momentum and drive.

COACH STRUGGLES THROUGH FIRST YEAR

If football seasons were judged by wins and losses, the 1980 season would not be a memorable one. Coach Bibis' first year resulted in a 0-9 record. Fortunately much more contributes to a successful season than merely winning or losing. There were many outstanding players this year. The M.V.P.s were Gregg Antony and Fred Vines. Vines also led the offense in rushing, receiving, and touchdowns. The records broken during the season were the longest run by John Francois, 92 yards, and the longest punt by Jack Bianchi, 89 yards.

Their only other loss was to Thomas More on an extra point play. It was a good team effort, with some valuable players such as Rich Adamson, Rich Lundgren, Darryl Carr and Kelly Weddel on offense, and on defense, Bob Galvin, Tim Turco and Joe Zagame.

STEADY SEASON MARKS GIRLS' BASKETBALL

Under the direction of Coach Dale Snyder, the girls' basketball team compiled an 11-9 record. Losing their first game to St. Mary's Academy by 3, they came back and won their next game by 12, and that is how the season continued with its ups and downs, no definite winning or losing streaks. Kim Johnson was voted Most Valuable Player and Best Defensive Player. Co-Captain Ann Althaus was the first Lancer to play every quarter in a season (84). She also was voted Outstanding Girl High School Athlete of Kenosha, and tied with Debbie Becker for Best Free Throw Percentage (73%). Co-Captain Leila Mercado was leading scorer with 247 points.

GIRLS CLOSE BUT NO STATE BID

The girls softball team, under the direction of Coach Tom Gascoigne, came close to going to the WISAA State tournament. Ending their season with a 6-6 record, the girls had an up and down season, winning the important games against the undefeated teams but losing games they should have won. The team had the talent, having lost only two seniors, but just couldn't seem to get their act together. Although the J.V. team wasn't an official team, Jeff Strangberg taught the girls the basics and they scrimmaged against other J.V. teams in the Metro.

At the end of the season, State was just out of St. Joe's reach as they finished with an 8-8-1 record. The M.V.P. for the team was this year's captain, Mark LaSota. Leading the offense with a .510 batting average was Joe Nelson. After a strong start, the season ended in disappointment.

The 1981 J.V. Baseball team took first in conference with a 10-5-1 record. Behind the leadership qualities of co-captains Joe Zagame and Kelly Weddel, the Junior Varsity had one of the best seasons ever. Some of the outstanding contributions to the team were 11 stolen bases by Joe Bill and great hitting by both Todd Kehl and Paul Cantwell. Coach St. Peter along with asst. BOYS AND GIRLS TRACK

For the first year the girls' and boys' track team combined. The girls surprisingly broke nine of the fourteen school records. Three relay records (880, 440, Mile) were broken alone by the relay team of Roz Williams, Karen Czarnecki, Maria Ziske, and Mona Antony. Maria Ziske in the hurdles and Patti Schroeder in the Shot and Discus each set two new records. The team had a successful State Meet with three sophomores and one freshman scoring all of the team's points. M.V.P. this year was Mona Antony. The team's overall record was 4-4 in Dual Meets.

Under the direction of Chris Andacht and Mike Marx both teams finished 3rd in the Metro Outdoor, which is the higest finish in the school's history. Brian Heiser and John Moyer were the two Conference Champs. Three school records were broken by Brian Heiser, John Moyer and Paul Wadina. The boys took first in the Angel Invite. and the Franklin Invite. Co-M.V.P.s were John Moyer and Fred Vines. Their overall record was 9-4 in the Dual Meets.

TENNIS TEAM MISSES STATE BY ONE MATCH

In tennis 0-0 means love, but not for the Lancers. When the chips were down the Lancers played tough! It is shown in their 10-6 record. Kevin Mayew, playing #1 singles, did a great job all year. Gene Speca, the team M.V.P. and #2 singles player, also did a good job, placing 2nd in regionals.

Overall the whole team placed 3rd in regionals and missed the state tournament by one match. The Lancers placed 4th in the conference.

KEY CLUB COMPLETES A SUCCESSFUL YEAR.

This year's Key Club had the largest club in the history of the school. The "key" to their success was their moderator Mrs. Jean Hubbard and the officers. G. Capelli was President, A. Capelli was V. President, M. Kotz was Secretary, and M. Beard was Sgt. at Arms. The purpose of this group is to do service projects for the community. This year they had a Halloween Party at Brookside Nursing Home and went Caroling at local nursing homes. They also had a secret teacher week which ended with a special luncheon for the teachers. For the second year in a row they held a Rocking Chair Marathon and gave the money received by sponsors to charity. To finish the year off with a bang they captured four awards at this year's conference at Stevens Point.

BIG BUDDIES ACT AS FRESHMAN GUIDES

The main purpose of the Big Buddies is to help the freshmen and new students become familiar with their new classmates and school. This year, the Big Buddies helped with the freshman orientation by giving them a tour of St. Joe's, introducing them to their Pace teacher, and helping them buy books. They entertained the freshmen at a picnic in the afternoon at which they played games, ate and were taught the school cheers by our St. Joe's cheerleaders. They also helped to plan freshman workshop. The Big Buddies enjoyed sharing their knowledge with the freshmen and did a great job.

LIBRARY EXPANDS WITH AUDIO EQUIPMENT

The Media Aides are a very important asset to our school. They are responsible for filing cards, checking out books, and keeping the library looking good. This year we have a new addition to our library; an Audio-Video crew which is in charge of all the materials used for film projectors and the video unit. The video unit is new this year and consists of a video camera, a playback unit and two television sets.

THE LOYAL CREW OF THE THEATER

1▲

This year St. Joe's had many hard workers on the stage crew and added new members to the Thespian Society. These students are most loyal to the theater and who make our productions so successful. The Crew mysteriously started the year off with Agatha Christie's "The Hollow" and ended with the roaring spring musical "No, No Nanette." The hard work and long hours resulted in two more successful productions for the 1981 school year.

CHALLENGE STAFF ROUNDS UP THE YEAR!

Its been an extremely challenging year for this year's yearbook staff. We've made many changes in the form and style of the book. The staff put many hours of work into this year's issue and with the aid of Mrs. Powers it was all worthwhile. Putting this book together is not as easy as some people think and we couldn't have done it without the fantastic art work done by Kathy Kueny and our loyal advertisers. Thank you to all who contributed to the staff's needed information and to those who supported our staff by purchasing this yearbook.

Sincerely,

THE NAVY. IT'S NOT JUST A JOB, IT'S AN ADVENTURE.

In the Navy, a job means more than just good paycheck.

It means the adventure of seeing places like Greece, Spain, Hawaii and Hong Kong. It means becoming an expert on exciting technical equipment in our submarines, on our jets, and in our ships. It means doing a job that really counts, with people who count on you to do it.

The Navy can give you training in more than 60 career fields. Talk it over with your Navy recruiter. He'll be able to tell you what you can qualify for in the Navy:

Take Time

Take time for friendship when you can.
The hours fly swiftly, and the need
That presses on your fellowman
May fade away at equal speed
And you may sigh before the end
That you have failed to play the friend.

Not all life's pride is born of fame;
Not all the joy from work is won.
Too late we hang our heads in shame,
Remembering good we could have done;
Too late we wish that we had stayed
To comfort those who called for aide.

Take time to do the little things
Which leave the satisfactory thought,
When other joys have taken wings,
That we have labored as we ought;
That in a world where all contend,
We often stopped to be a friend.

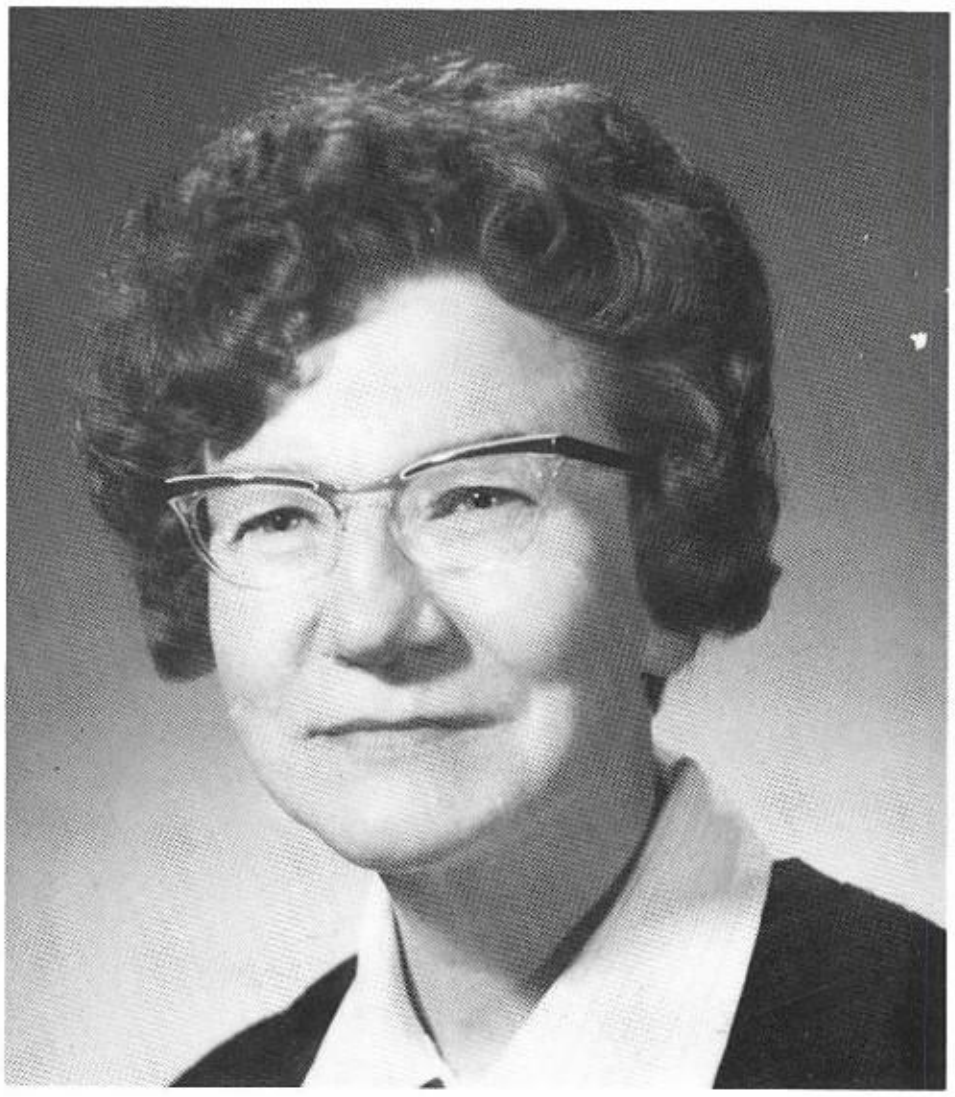
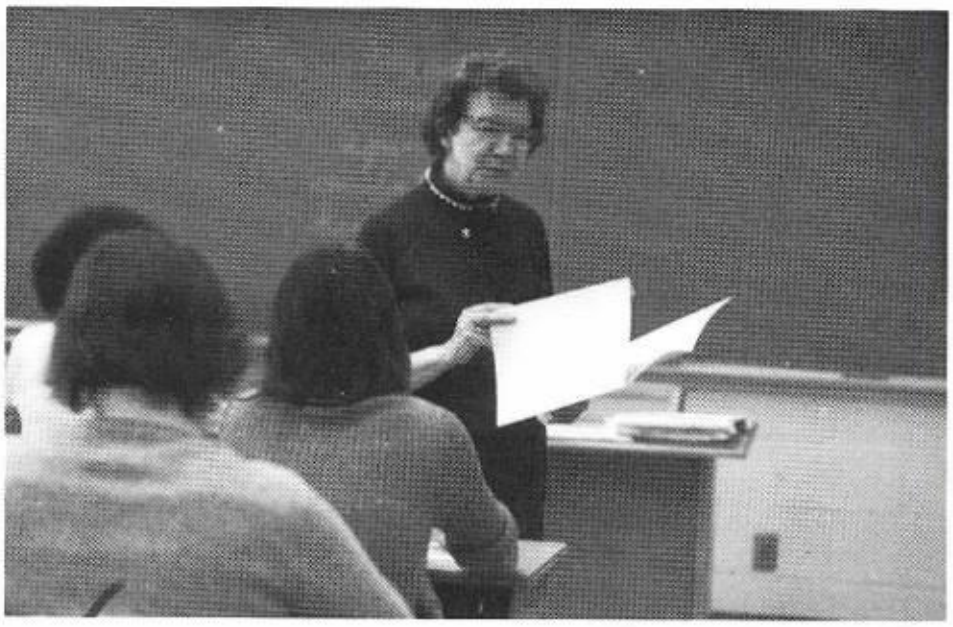
SISTER ELAINE REMAINS DEARLY IN OUR THOUGHTS





On March 11, 1981, at Maryhill Nursing Home in Milwaukee, Sister Elaine Braunger died of cancer. She was born in Sleepy Eye, Minn. in 1912, and after her schooling, she dedicated her life to the School Sisters of Saint Frances and teaching. For 31 years she taught grade school children throughout Illinois, Indiana and Wisconsin, and for the past 14 years she worked with St. Joe's students on the high school level. When Sister Elaine began her reading courses at St. Joseph High, she found many students had difficulty in the area, and therefore developed programs to help them increase their reading power. She also enjoyed teaching religion and English courses. Sister Elaine was also involved with the Charismatic Prayer Group for 5 years and a very active member of St. Mary's Parish. In her pastime, Sister chose to relax by sewing, doing handiwork, and playing the guitar all of which she was most talented at. Those who knew Sister Elaine said her to be an outstanding educator among her colleagues and a truly dedicated and courageous lady. All of us here at St. Joe's are grateful for the time and creativity she brought to the school, but mostly we are thankful to have had the chance to meet such a fine person as herself. Sister will be dearly missed by the students and faculty of St. Joe's and will forever remain in our thoughts.
